

PRINTABLE CLASSROOM TEMPLATE

Partner adaptation

Compare the teaching intention with the local changes

Original class / adapting class / topic

1. What is the original learning goal and teaching intention?

2. What remains stable in the seed prompt, and why?

3. What changed in curriculum, language, examples or access? Why?

4. What did each class receive from AI or a teacher-provided response?

Attach the original seed and the adapted version.

PRINTABLE CLASSROOM TEMPLATE

Partner adaptation

Field feedback and next version

5. What did students accept, adapt or reject? Give evidence.

6. What do the differences reveal about assumptions or culture?

7. What worked in class, and what should improve next time?

8. What student work can be shared with informed permission?

One change I will make in the next version
