

PRINTABLE CLASSROOM TEMPLATE

Seed prompt canvas

Think first / Prompt second / Judge third

Name or group / topic / date

BEFORE AI: Write your own starting position

Learning goal

What I know already

What I am unsure about

Evidence or people I can check

RCT-FTC-E: Design the seed

Role - the function or perspective

Context - learners, curriculum, place, language

Task - the learning material or inquiry support

Form - the output structure

Tone - the language level and voice

Constraints - include, avoid or leave open

Evaluation - how I will check usefulness and accuracy

PRINTABLE CLASSROOM TEMPLATE

Seed prompt canvas

Bring your first-page thinking into one usable seed

My assembled prompt

Teaching intention to preserve when sharing

Details another class should localise
